**PROJECT NUMBER ONE HUNDRED THIRTEEN (114)
AGENCY SUPPORT**

Identification and General Description of Project

This Capital Improvement Plan is required under IC 6-3.6-6-9.5. This requirement has not been substantially modified over the years to reflect the increasingly expansive non-capital purposes for which local income tax additional revenue allocated for economic development purposes (formerly EDIT revenue) can be used. Among other purposes, pursuant to IC 6-3.6-10-2, such funds can be used “for any lawful purpose for which money in any of [the County’s] other funds may be used.” This includes non-capital expenditures for which, among other things, there will be no “construction schedule” as specified in the Capital Improvement Plan requirement of IC 6-3.6-6-9.5(d)(4). This project is for non-capital assistance provided by Tippecanoe County to other units of government and non-profit agencies engaging in projects beneficial to the County that are not specified elsewhere in this Capital Improvement Plan. For 2019, this includes support for Lafayette Transitional Housing, an interlocal agreement with Lafayette and West Lafayette to support a low cost spay and neuter clinic, and a partnership with the City of Lafayette concerning the Battle Ground Golf Course.

Estimated Total Project Cost

The estimated total cost of the Project is indefinite due to its ongoing nature. Tippecanoe County will pay up to \$93,333 during fiscal year 2019.

Identification of All Sources of Funds for Project

Tippecanoe County will incur an amount not to exceed \$93,333 to fund this Project during the fiscal year 2019 from EDIT revenues. Additional revenues from EDIT are anticipated for future years.

Planning, Development, and Construction schedule for the project

The project is expected to continue annually to the extent of available funds.
